

THE BEVERLY

Welcome to The NEW Beverly on Main.

On May 20, 2016 local Old Town Basic B's Bryan Peters and Eric Nugent purchased The Beverly on Main. It has since become an iconic space where people can have a unique experience in a modern, yet vintage atmosphere. They took from the old 'Mabel's on Main' and incorporated a newer look and concept...while still paying homage to the original theme.

While The NEW Beverly isn't a place that requires proper attire, it is still strictly enforced...JK; however, you can bank on catching the handsome devils at The Beverly in gym clothes, despite the fact that they rarely work out. Peters and Nugent understand that life is serious, but doesn't have to be that serious, which is why you'll find parts of their sarcastic personalities on the coasters, menus and 'Overpriced Water'. It's a space that will have you saying 'YOLO', but please don't, they don't like acronyms #IDGAF. Just say, "you only live once".

At the one-year anniversary, the two entrepreneurs debut an updated menu and renovated space, making for the perfect daytime brunch hangout and late night hotspot.

So please, enjoy brunch and craft mimosas from 11am-3pm. Take advantage of bottle service, our new craft shots/cocktails and live music from Thursday-Saturday at the place you can always call home, and also be classy...AF. 🍷
